Envelope Reminders

Please remember to write your donation amount on the outside of your offering envelopes. We have received a couple with no amount so we are unable to give credit.

Please be aware of which side of the envelope and what you are offering (i.e. offering to the church or candles). The left side specifically states "Sunday Offering" and right side "Candle Offering"

If you are lighting your own candles, please write "lit" on your envelope.

When making "Candle Offerings" through the envelope system you are already receiving credit on your financial report. If you mark these vigils on the candle list in the back of church, please note on that sheet that you have already paid through the envelope system by simply writing "Envelope" or "E".
