Mother Maria's Visit

Last Sunday, we had a very enlightening visit from Mother Maria of The Orthodox School of Bethany. Her presentation was an eye-opening experience for all on the conditions living in the Holy Land. After her presentation, all who were present had a deep appreciation for the problems that they face each and every day.

The monies that we collected last Sunday will be put to good use by Mother Maria in protecting their interest. If anyone would to make any other donations to The Orthodox School of Bethany, you may do so by mailing your donation to:
