New Shed

A new utility shed has been purchased and delivered to our property this past week. This storage area will be greatly appreciated to help us store items that are necessary for the upkeep of our new grass area next to the church.

Parish Picnic

Many thanks to all of you who made our annual picnic a wonderful day. Those who were at Renzie Park early in the morning to get things ready; those who cooked the food; those who brought different salads, desserts, and other foods and those who provided games for our entertainment throughout the day.

A great day was had by many who attended this year's event and we thank God for providing us with perfect weather. Next year's picnic is being planned for July 28, 2024.
